This pendant is enhanced with Integral LEDs to illuminate inside the inner diffuser and another set of Integral LEDs that deliver ambient lighting precisely above the fixture. The decorative and ambient lighting benefit from separate circuits to give you precise dimming control over both layers of light to create the perfect ambiance in the space. The overall height of the fixture ranges from 20 to 180 inches, and the suspension rods can be easily adjusted on location. The Cilindro Weave-Tex Tapered Pendant is included in our American-made, American-designed, handcrafted Modern Lighting Collection and is manufactured in Yorkville, New York.
