This architecturally styled, custom-designed, column-surround lighting system is created with the latest technology and partisanship. This massive modern system offers a sophisticated, dramatic design for commercial, hospitality, and residential interiors, including lobbies, concourses, galleries, and offices. Innovation and elegant minimalism come to light with this unique monorail-styled luminaire system, highlighted with a stunning Honey Bucket powder-coated frame and hardware. The massive fixture mounts to five columns, deploys gorgeous ambient illumination, and dims down beautifully on a 120-volt line voltage system using 0-10V dimming. The Indianapolis Oval Pier Mount is included in our American-made, American-designed, handcrafted Architectural Lighting Collection and manufactured in Yorkville, NY. UL and cUL listed for dry and damp locations. This fixture was designed by David Singer of Arc Light Design in New York and is Featured at the Wolfgang Puck Bar & Grill in the MGM Grand Hotel & Casino in Las Vegas.
