A unique combination of metal and glass, this four-light chandelier features four Beige Art Glass shades, each with a jaw-dropping trellis lighting design. The shade accents are offered in a powder-coated Wrought Iron finish for a stunning look that complements the hardware. The fixture is ideal for placement in living spaces, dining areas, and other areas in hospitality and residential settings. The overall height ranges from 36 to 151 inches as the chain easily adjusts on location to meet your specific requirements. The Wilson 4 Light Chandelier is included in our American-made, American-designed, handcrafted Craftsman Lighting Collection, which is manufactured in Yorkville, New York. It is UL and cUL listed for dry and damp locations.
