Other	

Unleashing a dynamic blend of dramatic ambient lighting, this unique turbine profile reveals a detail fluted look of power and technology for any room in a commercial or residential setting. This fluted design is inspired by century-old louvers used for engine heat ventilation in the aviation and automotive industries. The diffuser is handcrafted of solid steel with a Wrought Iron finish and matching hardware. Custom designs, styles, sizes and dimmable energy efficient lamping options are available. The lamp is UL and cUL listed for damp and dry locations.
