Custom crafted by artisans in Yorkville, New York, this sleek cylindrical pendant features a clean architectural silhouette finished in rich Oil Rubbed Bronze. The minimalist form delivers focused downlighting ideal for bars, counters, corridors, and hospitality spaces. Engineered with high-output lamping, this pendant operates with a single 150-watt metal halide bulb, providing powerful and efficient illumination for large or high- ceilinged environments. For projects requiring traditional sources, a standard lamping version is available as Item 292552. Custom sizes, finishes, and lamping options are available to meet design and performance requirements. UL and cUL listed for dry and damp locations.
