A mesmerizing Art Deco design comes to light with the Cilindro Deco wall sconce. A gridwork mosaic featured across an Off-White Textrene Shade which is complemented with an Nickel powder coat finished hardware. Handcrafted by highly skilled artisans in our 180,000 square foot manufacturing facility in Yorkville, New York. This ADA wall sconce is available in custom sizes, styles and finishes. UL and cUL listed for dry and damp locations however we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric diffuser.
