Inspired by a rhythm that beckons with the dancing movement of the ocean. The captivating elements are organically formed Idalight lenses emulating waves - the hang heights for each element have also been configured to make a large-scale wave effect. Innovation and imagination are integrated for a stunning decorative lighting look. A jaw-dropping illuminating design, this cascading pendant displays two dozen Crystal Idalight and Contrail Mist Idalight elements. Each is illuminated with Integral LEDs for high-quality lighting and long life. The lovely fixture is enhanced with hardware finished in Brushed Stainless Steel. The massive pendant is perfect for foyers, lobbies, reception areas, and other spaces in large residences, hotels, and restaurants, from Boston, Massachusetts, New York, New York, to San Francisco, California. The Allegro Cascading Pendant is featured in our American-made, American-designed, handmade Modern Lighting Collection and manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations. This alluring pendant was designed by Sagestone Partners of Atlanta, Georgia, and is featured in the Allegro Senior Living Community in Fort Lauderdale, Florida.
