This massive Kofu pendant reveals a unique Asian influenced geometric design. The shade features a Custom Off-White Textrene diffuser that is enhanced with hardware in a Brushed Brass finish. Diffuser colors, metal finishes and fixture sizes can be customized to your needs. UL and cUL listed for dry and damp locations however we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric diffuser. Featured in the Mystique Asian Restaurant and Lounge at Encore Boston Harbor. Project was curated by Wynn Design Group and designed by award-winner interior designer Peter Niemitz.
