The dramatic Thicket Chandelier is a free-flowing abstract expression of light. Designed like a dense group of thin branches in the cold winter woods, this elegant chandelier dazzles with branch-like metal arms that abound in a Solar Black finish. Twinkling LEDs that mimic city skylines, leaving you in awe. This luxurious, extensive custom lighting fixture is ideal for illuminating ballrooms, dining tables, lobbies, entryways and other residential, hospitality and commercial spaces. Integral LEDs deliver beautiful ambient illumination for energy efficiency and long life. The Thicket Chandelier is featured in our American made, American designed, handcrafted Nature Inspired Lighting Collection. Manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations.
