Eclectic minimalism blends a modern look with a traditional Edison bulb. A single Frosted White Glass lamp offers a popular urban chic look for hallways and dining areas in homes, lounges, restaurants, and other residential and commercial spaces. The smooth, curvaceous metal fixture is finished in Satin Brass for a handsome look. The ADA-compliant Alva Wall Sconce is included in our American-designed, handcrafted Industrial Lighting Collection. It is UL and cUL listed for dry and damp locations. Custom Made. Call for Pricing and Lead Time. This fixture is featured at the Gunter Hotel in San Antonio, Texas. It was purchased by Jaguar Hospitality of Plano, Texas, and designed by DLR Group in New York City.
