A massive modern chandelier using the latest Integral Organic Light Emitting Diode (OLED) nanotechnology. The dimmable Kossar luminaire is created with 118 unique Integral OLED ultra thin panels- all delivering energy efficient 4000K illumination without glare from a flat light source. The hardware, decorative accents and frame are featured in a stunning Alloy Wheel Clear Coat finish. Custom crafted in our 180,000 square foot manufacturing facility in Yorkville, New York. OLED panels, metal finishes and fixture sizes can be customized. Contact us for additional sustainable OLED lighting solutions.
