Inspired by tooth-like Dentil block patterns used in Doric, Ionic and Corinthian orders of classic Greek and Roman architecture, this fixture features a grooved motif. A unique industrial design is brought home with Satin Nickel finished steel hardware. A White glass lens evokes ambient lighting for kitchens, hallways, closets and foyers. The fixture is handcrafted by master artisans in our 180,000 square foot manufacturing facility in Yorkville, New York. Custom designs, styles, sizes and dimmable energy efficient lamping such as LEDs are available. This fixture is UL and cUL listed for damp and dry locations.
