Pleasant, peerless, and proportional. Designed to be surface mounted and hardwired to surfaces such as tables, bars and counters, the stunning Cartier lamp pairs a White fabric shade with a frame and hardware featured in Wrought Iron. The Cartier Table Lamp is included in our American-made, American-designed, handcrafted Transitional Lighting Collection. UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade.
