A stunning, curvaceous wall sconce... Durbano features a handsome Silver Mica lens, which is enhanced with a Mahogany Bronze finish. This wall luminaire is ideal for use in hallways, dining areas, and living spaces in residential and hospitality settings. It is perfect for homes and restaurants from the Blue Ridge Mountains in North Carolina, Keene, New Hampshire, and Cincinnati, Ohio. The Durbano Wall Sconce is included in our American-made, American-designed, handcrafted Rustic Craftsman Lighting Collection and manufactured in Yorkville, New York. UL and cUL listed for dry, damp, and wet locations; however, we do not recommend placing it in outdoor spaces that encounter high winds and extreme weather, as the mica diffuser can diminish over time. Glass or Idalight is usually recommended for outdoor locations with harsh conditions.
