Influenced by cottages and rooftops of storybook characters... This stylized Lantern features four bands of Weave-Tex pierced metal grills, revealing beautiful striations of light on the wall. The Gothic-styled roof and spear tip finial are finished with a Brown Bronze finish to create an evocative impression. Perfect for both interior and exterior lighting applications. The fixture is ideal for illuminating walls and facades in outdoor residential, hospitality, and commercial locations. The Keebler Exterior Wall Sconce is included in our American-made, American-designed, handcrafted Gothic Lighting Collection and is manufactured in Yorkville, New York. The wall fixture is UL and cUL listed for dry, damp, and wet locations. The fixture is featured in the Belleayre Mountain Ski Center in Highmount, New York, and is operated by ORDA, the Olympic Regional Development Authority based in Lake Placid, New York. Thank you to Quality Lighting Systems of Clifton Park, New York, for the order.
