Inspired by Marjorie Merriweather Post's rustic retreat in Paul Smiths outside of Lake Placid, NY, the original Top Ridge design was featured in a fixture installed in the Main Lodge in the vacation camp built in 1923. Custom designed and handcrafted in the USA, this stunning wall sconce features a rich trellis styled band with matching hardware in a Black Textured finish. An elegant Amber faux candlelight with a Gothic styled spike stands out in the forefront. Custom designs, styles and colors are available, as well as dimmable energy efficient lamping options such as LED. This fixture is UL and cUL listed for damp and dry locations.
