Invite a clean, architectural style to a modern home or hospitality setting. This elegant rectangular White Textrene shade is embraced by an Industrial Steel geometric silhouette and sleek Flat Black backplate that mounts directly to the wall. A beautiful layer of light brings relaxation and comfort to your space. The Westin Wall Sconce is included in our American-made, American-designed, handmade Modern Lighting Collection. UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade.
