Invite a clean, architectural luminous style to a modern home or hospitality setting. This elegant rectangular White Textrene shade is embraced by a Brushed Stainless Steel geometric metal silhouette and sleek Matte Black backplate that mounts directly to the wall. A gorgeous layer of light brings relaxation and comfort to your space. The Westin Wall Sconce is ADA Compliant and included in our American-made, American-designed, handmade Modern Lighting Collection. UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade. The sconce is featured in The Westin Governor Morris Hotel in Morristown, NJ.
