Anillo is a massive, modern, sophisticated system featuring extraordinary adjustable elements of ambient light. Our spectral halos appear to rotate, creating a stunning visual effect and breathtaking drama. This custom-configurable grouping of Brushed Stainless Steel-finished solid rings reveals Statuario Idalight diffusers and is complemented with Solar Black canopies and suspension rods. High-powered, integral LEDs deliver dimmable, robust illumination, energy savings, minimal maintenance, and long life. These eye-catching rings emit a clean glow and enhance the ambiance of the surrounding space, elevating the fixture's appeal in homes, resorts, and hotels. The Anillo Cascading Pendant is included in our American-made, American-designed, handmade Modern Lighting Collection and manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations. This fixture was designed by David Singer of Arc Light Design in New York for a private residence in Texas.
