Capture glimpses of your nighttime dreams and fantasies with this pillow styled fixture. Elegant and visually comforting, it looks soft enough to put your head on it. But do not. It is a decorative wall sconce or ceiling fixture designed to illuminate guestrooms, corridors and other residential and commercial spaces. The fixture is custom crafted with Chintz-like fabric in a Chiffon Champagne color that is accented with Oil Rubbed Bronze steel. This 9-watt fixture uses energy-efficient LEDs for warm 3000K light, long lamp life and low maintenance and is equivalent to a 70W incandescent fixture. Handcrafted in Yorkville, NY.
