Elegant European lighting fixtures from castles were the inspiration for Squire's silhouette design, employing Hand-Forge Iron scrolled arms and contoured supports to define its graceful profile. 2 Ivory faux candlelights crowned with Textrene Shades perched on saucer-like bobeches add a lovely touch to this fixture, which is featured in a Pate hand applied finish. Handcrafted by highly skilled artisans in Central New York, this lovely wall sconce is available in custom sizes, styles, finishes and dimmable energy efficient lamping options such as LED. The exquisite wall fixture, which is nearly 13 inches wide and nearly 15 inches tall, is UL and cUL listed for damp and dry locations.
