Rich charm and elegance come to light with Angelique. This 2-light wall sconce is designed as a dramatic accent for a hallway, entryway, and other rooms. The enchanting wall fixture features Ivory faux candlelights crowned with luxurious Parchment Shades. The shades are perched on bobeches, with hand-forged iron scrolled arms and stylized diamond-shaped hardware featured in a French Bronze finish, which is handcrafted by highly skilled artisans in our 180,000-square-foot manufacturing facility in Yorkville, NY. This stunning wall fixture is ideal for illuminating residential and hospitality spaces from Lexington, Kentucky, to Lake Tahoe, Nevada, in residential and commercial settings. The Angelique 2 Light Wall Sconce is featured in our American-made, American-designed, handcrafted Transitional Lighting Collection, which is manufactured in Yorkville, NY. UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shades.
