Elegant charm blends with rustic beauty. This wall sconce is inspired by antique staves traditionally bound by metal hoops in the construction of beer/whisky barrels and wine casks. Costello Black finished curved arms of Textured Solid Steel support solid bobeches accented with three complementary faux candlelights. Our Sustainable lighting offers a choice of Reclaimed Woods or a combination of Natural Woods/Metals. Handcrafted by highly skilled artisans in our 180,000 square foot manufacturing facility in Yorkville, NY. Candlelight colors, metal finishes and sconce sizes can be customized to meet your needs. UL and cUL listed for damp and dry locations.
