Designed with an attractive round profile that fits into your home, commercial, or hospitality location, this ceiling fixture defines a distinctive, sophisticated aesthetic. The Beige Textrene shade is enhanced with a Statuario Idalight bottom diffuser and Nickel powdercoated hardware. Ideal for placement in hallways and other spaces where you want to make a dramatic design statement from Detroit, Michigan, to Louisville, Kentucky, to Sacramento, California. The Cilindro Flushmount is included in our American-made, American-designed, handcrafted Modern Lighting Collection and manufactured in Yorkville, New York. UL & cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shades.
