This stunning ceiling pendant offers a curvaceous profile that integrates a modern look with an industrial style. The fixture features a stunning Beige Textrene shade enhanced with a Polished Nickel finish. The ceiling fixture can illuminate dining areas and entryways in homes, as well as lounges and restaurants. The overall height ranges from 26.5 to 32.25 inches because the suspension rod can be adjusted at our factory. The Cilindro Pendant is included in our American-made, American-designed, handcrafted Modern Lighting Collection and manufactured in Yorkville, NY. The fixture is UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience excessive moisture due to the fabric shade.
