Gothic revival combined with a Fleur-de-lis-inspired motif. Romantic elegance is captured with Rustic Iron finished accents and frame. The ornate hardware is enhanced with Two White Textrene Shades that crown Ivory faux candlelights perched on complementary bobeches. The exquisite wall fixture is ideal for hallways, living spaces, and other rooms in residential, hospitality, and commercial environments. Inspired by French design movements from Marquette, Michigan, to New Orleans, Lousiana, to Dubuque, Iowa. The Louisa Wall Sconce is featured in our American-made, American designed handcrafted French Lighting Collection. Manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shades.
