Add graceful details and soft ambient illumination to any interior decor with this elegant lighting design. Two faux candlelights crowned with Off-white Textrene shades are perched on round bobeches. The shades are embraced by an elegant frame with curved arms in a Brown Metallic powder coat finish. Handcrafted in our 180,000 square foot manufacturing facility in the USA. This Hand-forged Iron sconce is available in custom colors, sizes and finishes. UL and cUL listed for dry and damp locations, however we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shades.
