A rich exquisite look is defined by the Olivia Wall Sconce. Two graceful faux candlelights with Amber candle covers adorn bobeches with ornate, scroll-like hardware featured in a stunning Pewter hand-applied finish. This fixture is custom crafted by our artisans in our 180,000 square foot manufacturing facility in Yorkville, New York. Custom lighting fixtures are offered with multiple candlelights as well, and in a variety of finishes, styles and energy efficient lamping options such as LED. UL and cUL listed for dry and damp locations however we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade.
