Like the colorful rays of the spectrum, Pae Kukuna features a brilliant array of colored aluminum tubular elements with an anodized finish and in varying sizes. 50 Percent of the elements feature a Contrail Mist Idalight rod at the tip that illuminates with 's integral energy efficient LEDs for a soft ambient glow. A White powdercoat finished rectangular canopy crowns this unique decorative cluster of illumination. Handcrafted in the USA, this fixture is available in custom colors, styles and sizes, as well as dimmable energy efficient lamping options. This pendant is UL and cUL listed for dry and damp locations.
