A spectacular 12-foot LED Chandelier designed with a unique, contemporary look, the chandelier is a true work of art. The lightweight fixture was handcrafted with 12 hand finished tubular steel arms by highly skilled artisans in Yorkville, New York and specially designed to be disassembled for shipping. The hardware was hand-finished in a Pure White powdercoat. Integral LEDs were employed for energy savings, minimal maintenance, long life and high quality light. The fixture is custom crafted by highly skilled artisans in our manufacturing facility in Yorkville, New York. Custom sizes, designs, colors and dimmable energy efficient lamping options are available. The fixture is UL and cUL listed for damp and dry locations.
