Bring a clean and architectural look into your space with this refined fabric wall sconce. This piece mounts directly to the wall with a sleek metal backplate finished in a handsome Oil Rubbed Bronze finish. A rectangular Amber Textrene shade rests on top and projects a warm and welcoming layer of light. This wall fixture design embellishes transitional or contemporary decor with understated charm in hallways, living rooms, and other spaces in residential and hospitality settings throughout the US, including Boston, Massachusetts, to Indianapolis, Indiana, to Santa Clara, California. The Atria Wall Sconce is featured in our American-made, American-designed, handcrafted Contemporary Lighting Collection and manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to fabric shade.
