This high-styled wall fixture features Clear Glass, which is enhanced with a distinctive Copper frame and Raw Brass accents that will gain a nice patina as they age over time. A single luminaire provides ambient illumination from within. This sconce is ideal to complement a variety of architectural styles for today's fine exteriors and interiors, including hallways, foyers, entryways and other spaces in homes, restaurants, pubs, hotels and other commercial settings. Custom crafted in the USA, this fixture is offered in custom sizes, finishes and styles, as well as energy efficient lamping options such as LED. This fixture is UL and cUL listed.
