Inspired by the charming profile of wire cages and a traditional pendant shade for an artful display... Eight curvaceous metal wire cage-like pendants reveal Edison-style lamps that evoke beautiful ambient illumination. A brilliant Red Ruby metal finish shows off the massive linear fixture. This fixture is ideal for utility rooms, workspaces, dining areas, and espresso bars from Baton Rouge, Louisiana, to Irving, Texas, to Gilbert, Arizona. This item is the multi-light pendant version of 223345, the 14" Wide Troy Pendant. The Troy Pendants are featured in our American-made, American-designed, handcrafted Industrial Lighting Collection. The fixtures are UL and cUL listed for dry and damp locations. The pendants are featured at MEDICI Roasting in the Austin-Bergstrom International Airport.
