Inspired by a new Modernism, this eye-catching abstract expressionist design integrates criss-cross patterns with natural twig-like figures in a rich Cognac hue on a muted White. The resilient material is made from 40% post-consumer recycled content and has unparalleled luminous translucency when lit. The frame and hardware are finished in Oil Rubbed Bronze. This fixture is designed for indoor and outdoor lighting applications for homes, marinas, hotels, office buildings and other commercial spaces. It was custom crafted in the USA.
