Bold, eye-catching appeal integrates a traditional aesthetic with industrial utilitarianism. This unique lamp hardwires directly to the surfaces of bar tops, desktops, and library tabletops. This innovative luminaire features a Gold Metallic shade, base, and arm that was inspired by curvaceous reading lamps from Queens, New York, to Washington, DC, to Austin, Texas. The shade can be adjusted to meet various lighting applications for reading and other tasks. The Admont Bar Top Lamp is included in our American-made, American-designed, handcrafted Traditional Lighting Collection and manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations.
