Style and function merge in this Solid Brass Library Lamp with an Antique finish by . Providing twice the amount of functional illumination with twin heads for reading and work spaces, this lamp offers an authentic design that incorporates an integral USB port from Legrand, which is designed to power up smartphones, tablets and other personal devices more quickly, reliably and without the need for bulky adapters or unsightly cords. This lamp is commonly used on a table or desk at which two people can sit across from each other, or can be installed on a bar, counter, island in a home, restaurant, lounge or hotel. Handcrafted in the USA and UL and cUL listed, this lamp is available in custom sizes, styles and finishes, or with dimmable energy efficient lamping.
