Designed with a scissor-like configuration similar to standard household tools, this ceiling fixture offers a unique aesthetic. Constructed of Tyler Bronze-finished metal, the massive fixture features eleven Weave-Tex Cylindre elements that provide soft, ambient light for interior living areas such as entryways and dining rooms. The Tetromino Flush Mount is included in our American-made, American- designed, handcrafted Modern Lighting Collection and is manufactured in Yorkville, New York. The fixture is UL and cUL listed for dry and damp locations. The fixture is featured in the Belleayre Mountain Ski Center in Highmount, New York, and is operated by ORDA, the Olympic Regional Development Authority based in Lake Placid, New York. Thank you to Quality Lighting Systems of Clifton Park, New York, for managing the project
