European charm comes to light in a distinctive style, like something from a Dickensian village. Enjoy the time-honored look of the Falmouth wall fixture, which is an authentic lantern design with classic styling and handcrafted construction. This shapely lantern is ideal for outdoor applications and features a Clear Seeded Glass lens, which reveals four Ivory faux candlelights. The handsome fixture is complemented with hardware enhanced with Raw Copper and Raw Brass. It is ideal for illuminating exterior entryways and facades in homes and hotels from Concord, New Hampshire, to Lincoln, Nebraska. The overall height ranges from 35 to 94 inches, as the chain length can be easily adjusted in the field to accommodate your specific lighting application needs. The top of this lantern can be opened for easy lamp replacement and maintenance. The Falmouth Pendant is featured in our American-made, American-designed, handcrafted Traditional Lighting Collection, which is manufactured in Yorkville, New York. The fixture is UL and cUL listed for dry and damp locations.
