An architecturally designed pendant with a sophisticated Eggshell Textrene shade is complemented with a Creme Carrare Idalight bottom diffuser. This ceiling fixture is enhanced with a stunning Bronze Metallic frame and hardware. The pendant is ideal for placement above dining tables or occasional tables in fine homes and hospitality spaces from Hialeah, Florida, to Garland, Texas, to Glendale, Arizona. The Spalding Pendant is included in our American-made, American-designed, handcrafted Modern Lighting Collection, which is manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations; however, we do not recommend placing it in spaces that experience a large amount of moisture due to the fabric shade.
