This Anillo Halo Pendant blends Modernism with a rustic look. A spectral halo of ambient light is projected through a sturdy ring with a Statuario Idalight diffuser and enhanced with handsome Florence Walnut and White finishes. Eliminating the power cord, our exclusive proprietary suspension system is engineered with low-voltage spacecraft cables for balance, precision, and a clean aesthetic. The overall height of the fixture ranges from 6 to 45 inches, as the cable length can be easily adjusted in the field to accommodate your specific lighting application needs. Integral LEDs offer dimmability, energy savings, minimal maintenance, and long life. Ideal for illuminating dining areas and entryways in residential, hospitality, and commercial office spaces, from Charleston, South Carolina, to Fort Lauderdale, Florida, to Pueblo, New Mexico. The Anillo Halo Pendant is included in our American-made, American-designed, handcrafted Anillo Lighting Collection and manufactured in Yorkville, New York.
