A mesmerizing architectural design comes to light with the Cilindro Complex Pendant. Designed with a clean round design and refined styling, the sleek White Textrene profile is crowned with a stunning wreath of twisting metal enhanced with an Oil Rubbed Bronze finish. Install these pendants in groups to illuminate bars, counters, and tables in residential, commercial, and hospitality settings, from Buffalo, New York, to Houston, Texas, to Fremont, California. The Cilindro Complex Pendant is included in our American-made, American-designed, handcrafted Transitional Lighting Collection and is manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade.
