A cool tasty treat. Custard & Cone features a Gold Metallic finished base replicating a waffle cone topped with a scoop of vanilla ice cream in the form of a White Linen shade. Custom crafted in our 180,000 square foot manufacturing facility in upstate New York. Available in custom sizes, styles and colors. UL and cUL listed for dry and damp locations, however we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade.
