Designed as a stunning centerpiece for nearly any room. The Mosier Pendant features a unique combination of Natural Textrene and dozens of elegant Crystal Droplets. This fixture offers decorative hardware in an Antique Brass finish. Overall height ranges from 24 to 40 inches as the chain can be easily adjusted in the field. The Mosier Pendant is included in our American-made, American-designed, handcrafted Transitional Collection and manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade. Featured in Cameron Mitchell restaurants. Designed by Karen Hanlon Designs.
