Lamping

Other

Inspired by Nature, Estelle features a stunning leaf and vine design that accents Whitestone Idalight to evoke a subtle, yet dramatic shadow effect when illuminated. The decorative accents, frame and hardware are featured in a Smoke finish. This fixture is handmade by highly skilled artisans at the foothills of the beautiful Adirondack Mountains in the USA. The fixture illuminates with 2 customer-supplied, G24q-3 26-watt Compact Fluorescent Lamps (CFLs) for energy efficiency, long life and minimal maintenance. Options include custom designs, sizes, colors and dimmable lamping. The 18-inch wide fixture is UL and cUL listed for damp and wet locations.
