Integrating an elegant style with a classic distinguished look. This pendant is custom crafted with an Ambra Siena Idalight diffuser. The shade is complemented with a rugged curved frame and Beartooth-like accents in a Wrought Iron finish. Overall height ranges from 52 to 80.50 inches as the chain length can be easily adjusted in the field to accommodate your specific lighting application needs. Anti-sway cables ensure that the pendant remains upright in a fixed position regardless of structural vibration or wind. Handcrafted in our 180,000 square foot manufacturing facility in Yorkville, NY. Fixture designs, metal finishes and pendant sizes can be customized to meet your needs. UL and cUL listed for damp and dry locations.
