Integrating an elegant style with a classic distinguished look, Beartooth is custom crafted with 6 Ambra Siena Idalight luminaires perched on a rugged, double-circular frame, which is featured in a Wrought Iron finish. Each luminaire is adorned with Beartooth-like, vertical metal accents in a matching finish. Anti-sway cables ensure that the pendant remains upright in a fixed position regardless of structural vibration or wind. Handcrafted in our 180,000 square foot manufacturing facility in Yorkville, NY. Fixture designs, metal finishes and pendant sizes can be customized to meet your needs. UL and cUL listed for damp and dry locations.
