Towering over 11 feet in height, the Avesta is grandiose indoor street lamp which features a stylish tapered Statuario Idalight shade with a matching bottom diffuser and an architectural crossbar frame finished in Brushed Steel. The tall Maplewood support is perched on a sturdy metallic base with a matchingring accent. The lamp operates with one Customer supplied 4 Pin 42-watt Compact Fluorescent Lamp (CFL). Handcrafted in the USA, this indoor floor lamp is offered in custom sizes, styles, finishes and with a variety of dimmable energy efficient lamping options including LED. The tall lamp is UL and cUL listed for dry and damp locations.
