<b>Other</b>	

Eclectic minimalism is revealed through the unique look of a Weave-Tex cylindrical element, which is illuminated with a single Edison-style lamp from within. This grid design of the decorative elements delivers stunning striations of light across the hub mounted above. This ceiling fixture offers an intriguing lighting design for homes, lounges, restaurants, and other residential and commercial spaces. The curvaceous metal canopy is featured in an attractive Tyler Bronze finish. The Alva Cap Cilindro Flush Mount is included in our American-made, American-designed, handcrafted Alva Lighting Collection and is manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations. The fixture is featured in the Belleayre Mountain Ski Center in Highmount, New York, and is operated by ORDA, the Olympic Regional Development Authority based in Lake Placid, New York. Thank you to Quality Lighting Systems of Clifton Park, New York, for the order.
