A Hand Hammered Metal Banded belt embellishes this breathtaking chandelier. Gracefully curved arms embrace eight Hand-Painted Complementary faux candlelights with delicate bobeches. A downlight delivers functional direct lighting on surfaces below. Control each light layer separately through 2 independent circuits to create the perfect ambiance. There is also a built-in switch to control the downlight independently if desired. The frame is constructed of Timeless Bronze finished steel and enhanced with Reclaimed Wood. It is ideal for providing decorative lighting in lobbies, ballrooms, and large spaces in homes, hotels, retailers, and other commercial locations. The overall height ranges from 36 to 96 inches, and the chain length can be easily adjusted in the field and handcrafted in our 180,000-square-foot manufacturing facility in Yorkville, NY. Fixture designs, metal finishes, and chandelier sizes can be customized to meet your needs. This handsome fixture is featured within the new home of Utica, New York's award-winning Tailor and the Cook Restaurant.
