Elegant, luxurious charm blends with natural, rustic beauty. This extraordinary chandelier is inspired by antique staves traditionally bound by metal hoops used to construct beer and whisky barrels and wine casks. A stunning Hammered Charred Wood band and Black curved metal arms with bobeches embrace eight complementary faux candlelights. This lovely chandelier is ideal for providing beautiful ambient lighting and opulence in residential and hospitality spaces. This chandelier uses faux candlelights for ambient illumination and one downlight for functional lighting on surfaces below. The task and decorative lights benefit from separate circuits to give you precise dimming control over both layers of light to create the perfect ambiance in the space. The overall height ranges from 37 to 96 inches, as the chain can be adjusted in the field to meet your precise lighting requirements. The Barrel Stave Madera 8 Light Chandelier is included in our American-made, American-designed, handcrafted Contemporary Rustic Collection and manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations.
